Subject: **OFFICIAL ANNOUNCEMENT OF NEW EXECUTIVE LEADERSHIP APPOINTMENTS**

The Executive Committee of the **Tanzania Chess Association (TACA**) wishes to formally inform all chess stakeholders, affiliated regional chess clubs, players, partners, and the entire Tanzanian sports community regarding important leadership changes within the Association's Executive Secretariat, effective immediately.

These structural changes come following the formal stepping down of our long-serving General Secretary, **Mr. Nurdin Husein Hassuji**, who has requested to take an extended medical break to attend health recovery. In alignment with this transition, **Mr. Rashid Mansour Shariff**—who has been dedicatedly serving in a dual capacity as both the Vice Chairman and Acting General Secretary—has also tendered his formal resignation from both roles to facilitate a clean leadership handover, which will conclude on **26th October 2026**.

To ensure absolute continuity, structural stability, and the unhindered development of chess across the nation, the Chairman of the Association, in consultation with the Executive Committee and in accordance with the TACA Constitution, has made the following appointments with immediate effect:

Position	Outgoing Official	Newly Appointed Official
General Secretary	Mr. Nurdin Hassuji / Mr. Rashid M. Shariff (Acting)	**Mr. Albert Njau**
Vice Chairperson	Mr. Rashid Mansour Shariff	**Mrs. Kaushi Rishit Shah**

TACA takes this opportunity to express its deepest gratitude to **Mr. Nurdin Hassuji** and **Mr. Rashid M. Sharif** for their monumental sacrifices, resources, and commitment to lifting Tanzanian chess. Their governance paved the way for historic milestones, including the recent exceptional silver medal secured by the Tanzania Women's Team in Category E at the 46th FIDE Chess Olympiad in Samarkand, Uzbekistan.

We urge the entire chess community, zonal leaders, and international partners to accord **Mr. Albert Njau** and **Mrs. Kaushi Rishit Shah** maximum cooperation as they take over these strategic mantles to propel the game to greater heights. The formal physical handing over of records, assets, and regulatory files will occur transparently on **Monday, 26th October 2026**.
